Your timing chip will be embedded within the race bib. Please see the image of the back of the bib to show you what you should expect.

How are winners determined?

Gun time is the Official Time and all awards are based on Gun Time.

This is based on the International Associations of Athletics Federations (IAAF) Road Race Handbook, an excerpt explains the decision: "For road races and road walking events, the official time will be the time elapsed between the start gun and the athlete reaching the finish line. However, if an athlete crosses the start line after the start gun, his time elapsed between the start and finish line can be made known to the athlete but will not be considered as official time. The order in which athletes reach the finish line will be considered as the official finish position."

Will my time be on the website?

Yes. Gun times will be published on the website within 48hrs of the race.

Yes. 11.15 am is the race cut off time giving 2 hours and 15 minutes time to complete the course.

The race finish line will remain open for longer should there still be runners on the course, however please note that any runners continuing to run after the cut-off time, will be doing so at their own risk and must follow the normal rules of running on a road.

Can I run with my headphones/earphones in?

No, headphones/earphones are not allowed on the course. However, bone conductor headphones are permitted (see image below), as they do not block the ears. This is for your safety, as the race is not on entirely closed roads. If you are listening to music you may not hear traffic or the instructions of the Police and Race Officials. This is clearly stated in the Official Race Rules displayed on the website and you may face disqualification if you do wear such equipment, as this is not covered in the event insurance policy. Police and marshals are instructed to remind you to remove any headphones, so please respect their actions. Any reported mistreatment of marshals from runners will likely lead to disqualification.

**Can I rollerblade or cycle during the race?**

No. No wheeled transport is allowed on the course. The Official Race Rules outline the details of what is permitted.

Can my friends follow me on their bikes?

No. This cannot be allowed for two reasons:

- It's dangerous – the race is for runners and bikes get in the way!
- It's a competitive advantage – if you run with a friend on a cycle they are acting as a pacer and you will face disqualification from the race.

Can I bring along my dog to run with me?

No. Pets are not allowed on the course.

Will there be medical assistance?

Yes. Normandy Rescue is supporting the event and will have two ambulances allocated to the race to support the first aid team. In addition, the Jersey Ambulance Service is aware of the event taking place.

Will there be changing areas at the race start?

No, all runners are asked to arrive in their running gear.

What Parking facilities are available at the race start?

Runners should use the surrounding Public Car Parks in St Helier (free on Sunday) before walking to the Park. There is no parking provision available onsite at Victoria or People's Park. It is anticipated that traffic will be busy on the morning of the race, so please leave sufficient time to get into town, parked and to the start of the race.

Please note that St Aubin's Road, which runs in between Victoria Park and People's Park, will be closed from approximately 8am. If you are being dropped off at People's Park then either arrive before 8am or use the marshaled drop off lane on the Inner Road, which will be coned off in the left-hand lane (approaching from the West) as it nears the 'Inn on the Park' roundabout. Please allow plenty of time to make your way to People's Park.

Are the roads on the course going to be closed?

Not all of them. The roads in St Helier town will be closed during the start of the race. On other areas of the course the Honorary Police will control traffic to minimise the impact on the runners and to ensure that the race is safe for participants and the public alike.

Whilst a majority of the course is on quiet 'green lanes' or low traffic volume roads, runners must appreciate that at times they will be running with the traffic. Please ensure that you stay aware of the traffic and follow the instructions of the Honorary Police and Race Officials, they are there for your safety.

How do my friends and family access to Jersey Zoo to watch me finish the race?

Please note that Jersey Zoo will follow the same entry system as last year's event for spectators to watch friends and family finish the race. This is to ensure the safety of all runners. Please advise friends and family planning to watch the race to allow at least 15 minutes to enter the zoo and get to the finish line.

What goodies do I receive at the end of the race?
